EXHIBITOR & SPONSORSHIP PROSPECTUS

38TH CONGRESS FOR THE INTERNATIONAL SOCIETY FOR ADVANCEMENT OF CYTOMETRY

www.cytoconference.org

Join Us

Dear Exhibitor Colleagues,

It is our pleasure to announce the exhibit and sponsorship opportunities for **CYTO 2025, the 38th Congress for the International Society for Advancement of Cytometry** to be held May 31-June 4, 2025, in Denver, Colorado.

2025 marks the 60th anniversary of the first prototype sorter built at the Los Alamos National Laboratory by Mack J. Fulwyler. In recognition of this noteworthy occasion, CYTO 2025 will show case where this innovative technology has brought the scientific community by focusing on the Scientific Diversity of the field of cytometry. Interest and applications of single cell analysis continues to expand in the areas of research, clinical, pharmaceutical, botanical, marine, environmental or food science.

CYTO 2025 will showcase state-of-the-art cytometry technology and science, as well as advances in biological applications enabled by imaging, cytometry, and other single cell analysis technologies. Attendees will hear presentations from global leaders in molecular & cell biology, biophysics, and photonics. In addition to learning about the most up to date technology and science, the CYTO Congresses are famous for providing opportunities for forming collaborations and networking.

Denver, Colorado, is one of the world's most spectacular cities and is home to cutting-edge research institutions. It has a thriving life science industry and is a hub for biomedical research with leading institutions and research hospitals. CYTO 2025 will embody Denver's dedication to ground-breaking research to shape ideas and innovations for the future. We invite you to be a part of this exciting meeting that is sure to provide you with valuable business opportunities.

We look forward to having your company be a part of this community! Your participation will be brought to the attention of many thought leaders, decision makers, current and new customers who will attend CYTO 2025 in Denver.

In our effort to continuously improve your CYTO experience, ISAC has gathered suggestions through surveys, focus groups, and by speaking to you individually. We value this input tremendously and are continuing to strive to provide the exhibitor and sponsorship experience that will support your needs. Foremost, is increasing opportunities for both attendance in the exhibit hall and enhancing the flow on the floor to give you maximum exposure to current and potential customers.

We want to once again express our gratitude to the companies who exhibited at and sponsored events at CYTO 2024 or other past congresses. We look forward to seeing you again at CYTO 2025 and welcome your support. **Please do not hesitate to contact CYTO 2025 Exhibit Management (Tel. 845-243-2906, kris@herlitz.com) if you have any questions.**

Our outstanding program of cutting-edge scientific sessions, workshops, tutorials and posters will attract the very best in the field. Denver is where your company will want to be in May 2025!

SPACE ASSIGNMENTS

The early deadline for booth assignment based on priority points is January 27, 2025. Applications submitted online via the Exhibitor Portal before January 27, 2025 will be assigned booths based on accumulated priority points (see below for priority point system). Exhibitors may designate their preference for location. Every effort will be made to accommodate your preferred choices, but it cannot be guaranteed.

Accumulated points determine space selection order for the Congress. Companies receive one point per 10' x 10' booth purchased, for a maximum of five points. In the case of company mergers, exhibit management will use the highest number of years exhibited in calculating priority points. Priority points may also be earned through sponsorship support or for hosting a commercial tutorial.

All booths will be assigned by February 14, 2025.

Upon booth assignment, you will be sent an invoice for FULL payment of your rental. Payment can be made by credit card directly online. Checks drawn on US banks and bank wires are accepted and due at the time of invoice. Be sure to add any applicable bank wire/processing fees with your booth payment. FULL payment of booth space is required by February 14, 2025. Any booths not paid for in full by this date will be released and available for booking on a first come first served basis.

Starting February 15, 2025, the online booth application system will be open to exhibitors on a first come first serve basis, based on booth availability.

FULL payment is due at the time of application.

Please Note: Allocated exhibit booths, sponsorships, advertising, commercial tutorials will be released and available to others for booking if FULL PAYMENT is not received on time.
